

## Product Specification Sheet

### Targus 7" Portable DVD Player Case

Part #: TDC001US

#### Product Description:

Safely transport your portable DVD player while on the road! This Portable DVD Player Case is designed to fit most 7" DVD players and contains 5mm of closed cell foam to ensure the device is protected while traveling. The durable polyester and rugged koskin material help to protect the case from average wear. A movable internal divider provides a snug, custom fit for your DVD player for added protection. The large front pocket is a great storage compartment for additional accessories. An adjustable, padded shoulder strap is included for convenience along with interior storage for up to 5 DVDs.
